POLYETHYLENE TANK DT-MOBILE

KEY FEATURES

- Capacities of 210 or 440 litres
- 40 litres / minute 12VDC pump
- 19 mm (3/4") x 4m (12') flexible hose
- Automatic shut-off nozzle
- 210 litre model fit under tonneau cover

OVERVIEW

DT-Mobile diesel tanks distributed by Les Industries Desjardins Ltd are the lightest on the market. Their molded polyethylene construction integrates a storage compartment to hold the hose, nozzle, and power cable. The very low profile of the 210-liter model offers the unique advantage of being transportable under your truck bed cover. DT-Mobile tanks are unquestionably the most economical solution for transporting diesel fuel to refuel your equipment.
